

# Carbovet® « T »

## Semi-Micronized Form

CARBOVET®, a thermo-structured vegetal charcoal, 100% natural. CARBOVET® is made up from special oak tree. The process used is a specific carbonisation without chemical treatment. CARBOVET® is composed of a network of pores. CARBOVET® is a natural adsorbant.

CARBOVET® is certified as "efficient for Biological Agriculture" in animal feed (Certificat ECOCERT N° 145550T).

CARBOVET® is marketed and developed for animal feed by P&A MARKETING : Voie-des-Traz 6 - 1218 Le Grand-Saconnex (Geneva) Switzerland - Phone : +41 22 929 84 84 / Fax : +41 22 929 84 95

<i>PRESENTATION</i>	Black Powder	
<i>REGULATION</i>	According to the current regulation, CARBOVET® is considered as a raw material. For animal Feed use only.	
<i>AVERAGE CHEMICAL ANALYSIS</i>	Moisture (g%g)	≤ 14 %
	Carbon on dry matter (NF B55-101) (g%g DM)	≥ 82 %
	Ash (NF EN1860-2)	≤ 5 %
	Crude fiber (CEE Directive 92/89)	≤ 70 %
<i>AVERAGE PHYSICAL PROPERTIES</i>	Apparent Density	0.30 to 0.40
	Average Granulometry (sieves)	90% between 10 and 1000 µm
	Average specific area	150-300 m <sup>2</sup> /g
<i>PACKAGING</i>	→ 3 wall lined paper bags + PE layer - 15 kg net weight Pallet 100 x 120 or 100 x 110 - 840 kg net weight → 3 wall lined paper bags + PE layer - 20 kg net weight Pallet 100 x 120 or 100 x 110 - 780 kg net weight → Big Bag of 350 kg - 500 Kg	
<i>CONDITIONS OF USE</i>	To be added during the mixing process in order to be homogeneous in the feed or on the top feeding	
<i>INCLUSION LEVEL</i>	Poultry	0.15 to 0.20 % in feed
	Pig	0.20 to 0.50 % in feed
	Rabbit	0.30 to 0.50 % in feed
	Calf	8 to 20 g/head/day
	Dairy Cow	40 to 60 g/head/day
	Horse	30 to 50 g/head/day
<i>USE PERIOD</i>	In continuously	
<i>STORAGE</i>	2 years after packaging date in dry and cool conditions (15-30°C)	
<i>EXPLOSION</i>	Inflammable dusts (Dust auto-inflammation at 530°C, maximal explosion suppression: 6 bars – origin INRS 1994)	
<i>HEAVY METALS</i>	Carbovet® respects the European Union legislation on undesirable substances (Directive 2002/32 EC and subsequent amendments).
